

ACEP
Alaska Center for Energy and Power

**UNIVERSITY OF
ALASKA
FAIRBANKS**

Energy Symposium

Series of 8
Zoom Webinars

Join us for presentations on energy issues in Alaska. Learn about the challenges, opportunities, and other factors that Alaska Energy Security Task Force members need to consider as part of the development of a statewide energy plan.

Weekly on
Thursdays
Starting
July 13th
11:00 am

Topics Include:

- ✓ Future Natural Gas Supply for the Railbelt
- ✓ Reducing the Cost of Rural Alaska Energy
- ✓ Energy Statistics & Economics
- ✓ Grid of the Future
- ✓ Railbelt Hydropower Development & Financing
- ✓ Overview of Energy Policy & Planning Foundations
- ✓ Transmission & Storage
- ✓ Emerging Technologies and Opportunities
