## Agenda

### Welcome Message & Introductions

- Welcome
- Introductions

### Guest Presenter: Santos Ramos, P.E., DriveOhio

- Santos is a Project Manager for DriveOhio, an initiative of the Ohio Department of Transportation that serves as the state's hub for mobility technology on the ground and in the air. His primary focus is in helping the state of Ohio successfully implement the National Electric Vehicle Infrastructure (NEVI) Formula Program and support other EV related initiatives. Prior to joining the State of Ohio, he gained diverse experience as a civil engineer in the private sector, working on alternative project delivery, smart cities, and transportation electrification projects and planning studies across the country. Santos's holds a bachelor's degree from the University of Texas Rio Grande Valley, and a master's degree from the University of Nebraska-Lincoln in Civil Engineering.
